

HAMILTON

# Allied Medical Insurance

Hamilton Select Insurance Inc.'s Allied Medical Liability division targets small to mid-sized hard-to-place and distressed accounts in the excess and surplus (E&S) space.

We write professional and general liability and provide excess (including auto and employers' liability) over supported or unsupported business.

Accounts falling into the hard-to-place and distressed space typically include accounts in difficult to place classes, accounts with losses, start-ups, accounts that have been nonrenewed or are in difficult venues. Our underwriters provide a solution that can be tailored to meet the needs of the risk.
