

HAMILTON

# Excess Casualty Insurance

Hamilton Select Insurance Inc.'s Excess Casualty division targets small to mid-sized hard-to-place and distressed accounts in the excess and surplus (E&S) space.

We write supported or unsupported excess over General Liability, Employers' Liability, Automobile Liability, Liquor Liability, incidental Foreign Liability, OCPs and more.

Accounts falling into the hard-to-place and distressed space typically include accounts with losses, challenging classes, difficult venues or non-renewals. Our underwriters provide a solution that can be tailored to meet the needs of the risk.

## Policy Structure

- \$5,000,000 capacity
- Follow form excess over occurrence or claims made in a lead or excess of lead position
- Minimum attachment point of \$1,000,000

## Territories

We underwrite risks located in the United States.

## Claims

Led by a highly skilled and experienced internal team, Hamilton can also call upon an established network of local partners to ensure prompt and effective resources are deployed to any claim.
