

Professional Liability Insurance

Hamilton Select

Hamilton Select's Professional Liability division offers a broad appetite for professional services risks, with flexible primary and excess solutions across a diverse range of professional classes.

We specialize in hard-to-place and distressed accounts, including risks with prior losses, start-ups, non-renewals, challenging areas of practice, or other underwriting complexities that require a thoughtful E&S approach.

Our underwriters deliver tailored solutions, responsive service, and rapid turnaround for brokers seeking creative options for complex professional liability placements.
