

Kidnap & Ransom Insurance

Security & Reputation Protection (SRP)

We have taken over 40 years of claims and underwriting experience in the kidnap and ransom, unlawful detention, hostage taking and extortion fields to create a product that extends far beyond the realms of 'kidnap risks' both in coverage, and in the breadth of skill needed to deal with the most critical of criminal, information, and people risks.

Specifically designed to provide both assistance and indemnity against modern day threats often faced by high profile and wealthy individuals and their families, such incidents are not confined to high risk countries alone, but are everyday occurrences in countries often deemed 'safe' from the risks of kidnap.
